My dear Gail,

East-Downy N. H. August 14th

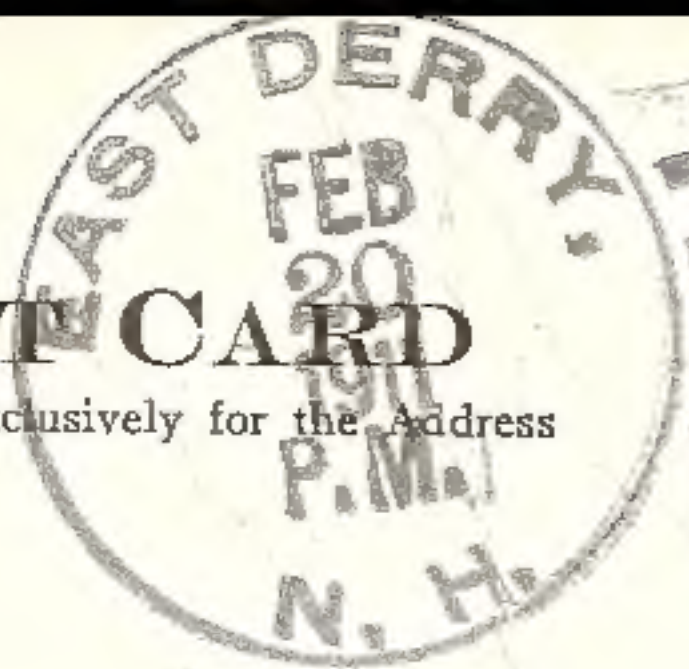

Do I owe you a letter? We came here the thirteenth of July and have been visiting ever since when we could. The weather has been something terrible until last Thursday afternoon, when we had a tempest - which was very heavy, but it cleared the air, Friday, Sunday - up to Barton and out home. Saturday he is all tired out. Has been much better. Had a bath. This hot weather? Did you suppose you hear from Jimmie every week? So she and Frank at home? (What a week!) I don't like it terrible! Have not heard from Mary - the said she would write. How do let us hear from you. Hope you are better,
Yours truly, Frank W. Swallow
